**COMMITMENT AWARD:** This award is earned by any wrestler who shows his dedication to the sport by never missing a required practice, meet, or tournament during the duration of the season. If a wrestler must miss due to a conflict or illness, they are permitted to make up the practice by attending a 6:00 AM workout. The only REQUIRED make-ups are varsity wrestlers who miss due to a conflict. However, to receive this award EVERY missed date must be made up regardless of the reason for missing. It is this attitude that will help a wrestler truly reach their athletic potential and perhaps surpass it.
