

**ASPEN ELEMENTARY SCHOOL  
ROLLERSKATING REMINDER  
Feb. 9th - 27th, 2015**

January 20, 2015

Skating starts on Monday, Feb 9th at Aspen Elementary for grades 2-5. Students will skate during their regularly scheduled P.E. times. Our rental skating company provides all of the necessary safety equipment (wrist guards and helmets).

YOUR CHILD may bring their own safety equipment (helmet and wrist guards) from home and use it for skating. It will be stored in their lockers during the skating unit. Please be sure all safety equipment is marked with your child's name, that they wear a good pair of socks and comfortable clothing for skating.

Thank you from the Aspen P.E. Staff

**\*\*\*\****Between 9:35a.m. and 10:35, we need volunteers to help 2nd grade students get skating equipment on and then helping them put equipment back in the skate racks when class time is over. Please email Mr. Carlsen for specific days.* [carlsent@hawthorn73.org](mailto:carlsent@hawthorn73.org).
